Beautiful housing complex based on the principles of integration with its surroundings and respect for the environment. Located next to the prestigious El Tosalet urbanization in Javea, Costa Blanca, a national benchmark for a high quality of life and Palladian architecture, this complex of modern Villas pursues the philosophy of respecting the environment and architectural harmony, but from a contemporary stance, with a more open style of architecture which allows nature to be present in the interior of each villa, and to let light illuminate each of its corners. Live in the villa you've always wanted, choose a plot and villa model, or invent your own. Choose a position, add or subtract rooms, change layouts, and create a space for yourself. Next to the prestigious El Tosalet urbanization and in the paradisiacal surroundings of Jávea, a micro-climate with 320 days of sunshine per year, and only a step away from spectacular beaches such as La Granadella and Platja del Portitxol. The location is only 7 minutes by car from Playa del Arenal, where you will find all the necessary services: supermarkets, restaurants, schools, pharmacies, clinics, public transport, a mini-golf course, a tennis club, water sports, etc. High-quality villas with the option to incorporate the latest in home automation technology.
