New construction projects in modern style with winter sun and beautiful views, located in Puerta de Orba, Costa Blanca, only a short drive from the coastal town of Denia and the beaches. These off-plan properties at the Costa Blanca are built to a high-quality standard and can be adapted to individual needs. There are already existing villas that can be visited to enjoy the final outcome after the building period, getting an impression of how the other projects will look like. These outstanding modern properties are built on a 600 m2 plot with an average living surface of 145 m2. The building specifications are underfloor heating throughout the house, A/C in the dining room and master bedroom, aluminum windows with double security glasses for an energy certification A, acoustic and thermal insulation throughout the house, kitchen equipped with oven, vitro, and hood, fully fitted bathrooms, wardrobes in the bedrooms, etc. Included in the price is an infinity swimming pool and the garden is prepared to design it to your own taste. Don't miss the opportunity to visit these excellent properties at the Costa Blanca!
