The villa is distributed over 3 floors with access to the lower level, where there is a covered garage for two cars and a storage room. As to reach the main floor there are stairs or an elevator. On the main floor of the villa, we find a spacious living room with large windows, which fill the house with light creating a unique and bright atmosphere. The modern style kitchen is fully equipped and has a pantry and/or laundry. On the main floor, there is a master bedroom with a bathroom en suite and dressing room. There is access from this level to the large terrace with stunning views. On the top floor, we find three spacious bedrooms and two bathrooms. All rooms have built-in wardrobes and enjoy beautiful views. The garden surrounding the villa has a large terrace with a spectacular infinity pool, chill-out area, etc. as to enjoy the Mediterranean climate all year round.
