Contemporary open plan villa with large windows designed by the owner who is an architect. The property is located at the lower part of La Sella Golf Resort, in a quiet area surrounded by trees and nature, only a short drive to all amenities as well as the coastal towns of Denia & Javea and the beaches. The villa has been built on 2 floors plus an underground with a total building surface of 525 m2 on a slightly terraced plot of 5233 m2. On the main floor an open ample living room with double height, an independent fully fitted kitchen with laundry and storage room, one bedroom with a walk-in wardrobe and an en suite bathroom, as well as a guest toilet. From the living room, there is access to the huge terrace with a covered pergola and the swimming pool area. On the upper floor, there is an open working space with a library overlooking the lower level, also a TV room, 2 bedrooms, and 2 bathrooms. There is a very ample underfloor that is used as a storage area but could be converted into a big independent apartment, also a garage is available for 2 cars. The property has a huge garden with many different fruit trees and also a small forest at the rear part of the villa. Extras: central heating, air-conditioning in all the rooms, the garden has an automatic irrigation system and a rainwater deposit of 40 m3. Don't miss the opportunity to visit this fantastic villa within very quiet, peaceful surroundings a short drive from all amenities.
