A unique project in Moraira. The villas are all situated with a perfect sun orientation and each of them will have sea views. All villas have 3 bedrooms and 3 bathrooms; the sizes vary from 314m² build to 339m² and the plot sizes are between 900m² and 1073m². All plots are nearly flat. The villas have underfloor heating, air conditioning, completely fitted kitchen and a very high level of finishing. Of course, there is a private pool for every villa. If you are looking for a high-tech villa, with the comfort and the reassurance of a gated community and closeness to all amenities, this project is highly recommended for you. We have plans and specifications available for all models. Prices start at 980.000 Euros.
