Imagine that it will take you only three minutes to walk to Moraira center and the sandy beach! A very modern and nearly new villa on a totally flat plot. This villa comprises a high ceiling living room with direct access to the covered terrace and pool area. A dining area, directly next to the large, fully equipped kitchen and a cloak room on the same level. Upstairs there are 3 good size bedrooms with built in wardrobes and two bathrooms (one of them is en-suite with the master bedroom). There is also a large terrace on this level with even some sea views. In the basement there is natural light coming in from an English patio. On this level there is a really large multifunctional room, actually used as a super large bedroom, a bathroom, a laundry room and a storage room. Outside there is a double carport and a small garage for jet skis or motorbikes. A truly comfortable villa on an exceptional location!
