The plot has 1.514 m² and is terraced so will be accessed from the upper road. The layout of this modern villa has been adapted to the sun's movement. So the infinity pool and main terrace to the living room are oriented to the south-west, meanwhile, two other terraces are oriented to the east to benefit from the sun in the morning. The villa's layout is an open plan living-dining room with an American kitchen, 3 bedrooms each with a bathroom en suite and fitted wardrobes, a guest toilet, and laundry. There is parking for 2 cars at the entrance of the villa and an easy Maintenance Mediterranean garden.
