This large villa is distributed over two levels: On the ground level, we find two double bedrooms with en suite bathrooms and an ample garage (50 sqm) that could easily be converted into an independent apartment. On the first floor, you enter a nice and bright entrance hall from where you could access to the left a guest toilette and the interior staircase that leads to the ground floor, to the right the ample master bedroom with en suite bathroom (shower and bathtub), and straight away you enter the open living/dining area with American kitchen.
