Location, location, location! This very special villa sits on a large, flat plot on the highest street of Benimeit. Although in need of some updating, the villa has huge potential. Spacious bedrooms, unique bathrooms, high ceiling salon with minstrel gallery, a separate dining area, next to the complete kitchen, a very large winter garden, and several spacious terraces. And what about the romantic shape of the pool? There is ample parking, another cosy covered terrace at the entrance of the villa, and a beautiful garden, including a fish-pond. Further, there is a sauna and a wooden garden shed. Central heating and aircon throughout the villa. But most important: unbeatable, panoramic sea views and optimal privacy.
