This residential complex consists of 72 homes with a shared pool and beautiful garden areas to relax. The complex has been designed by a Dutch designer who has chosen the Ibiza style as an inspiration for these well-appointed properties that are within walking distance to Denia town and all amenities. There are 6 independent villas sharing a communal swimming pool, 2 villas with independent plots and their own swimming pool, and 72 apartments in different blocks with their own communal swimming pools, garden areas, and parking. All the villas have 3 bedrooms distributed on two levels, consisting of 3 bedrooms, 2 bathrooms open-plan fully fitted kitchens, and terraces. You can choose between 4 different models of kitchen furniture, bathroom tiling, and some type of interior flooring, all according to the plans of each unit. All villas have inverter air conditioning hot/cold by splits, PVC exterior carpentry with security glass and double glazing, a 100-liter electric water heater, and a security entrance door. The surrounding is beautiful, with views of the Mongó mountain and the green landscape that is next to the complex. Contact us for floor plans and availabilities.
