This development of independent villas is located in a quiet residential area in Finestrat. These modern style villas are an open concept floor plan with large windows that bring light to all rooms. These luxury villas also have a swimming pool and a private garden with an irrigation system, a fenced plot and automatic cancellation. The facades combine smooth surfaces with natural stone and the interior walls are finished in plain white. The main floor consists of two bedrooms, a bathroom and a spacious living-dining room with an open kitchen with access to two terraces. On the first floor, we find the master bedroom with an en-suite bathroom and a large terrace with beautiful sea views. The villa is equipped with hot and cold ducted air conditioning, wood effect PVC carpentry with electric shutters in the bedrooms, double glazing with solar control and alarm system. The villas will be built in 15 months from the signing of the contract.. .
