A traditional style house very close to the center of Javea, all services and 3km from the sea. The house has a flat, sunny and spacious plot, in a quiet and residential area. The 2-storey property, facing south, has sun all day and all year round. The main floor consists of an independent kitchen with the possibility of opening it to the living room, a spacious living-dining room with access to a large glazed naya and a terrace with beautiful views of the plot. On this floor there are 4 double bedrooms with built-in wardrobes and 2 bathrooms with a shower. On the ground floor, there is a garage for two cars, and there is a part that could be renovated as an independent apartment. The house has oil central heating, air conditioning, outdoor parking for several cars, a large storage room, there is the possibility of building a swimming pool, the house needs some renovations. Contact us if you have any questions or want to make a visit. Orientation South, East, West Central heating with fuel Air conditioning Swimming pool Ample Garden
