Experience the ultimate in beachfront living with this newly built ground floor apartment in Las Marinas, offering your own private garden and direct access to the sandy beach. Located in an exclusive residential complex of only 12 apartments, this property promises a mix of luxury and privacy. This modern apartment features three large bedrooms and two well-equipped bathrooms, ensuring ample space for family and guests. The large living room has panoramic views of the sea and the mountains. The kitchen, equipped with SEIMENS facilities, complements the open and airy space. Step out onto a spacious terrace that offers direct access to the sandy beach. This apartment includes a state-of-the-art air conditioning system and electric curtains, which guarantee comfort and convenience throughout the year. With two large underground parking spaces and a storage room, there is plenty of space for additional vehicles and storage needs. The private residential complex has excellent common areas, including an adult pool, a children's pool and a beautiful garden. The unique beachfront location allows you to enjoy the pristine sandy beach and natural dune reserve, providing a serene and picturesque setting for you and your family.
